

Healthcare Solutions for the Rural Healthcare Association of Tennessee

We are pleased to announce a partnership between The Rural Health Association of Tennessee and Intalere. Intalere is a supply chain solutions company that helps healthcare organizations with cost reduction and margin improvement.

Intalere offers RHAT members:

- Group Purchasing Services– Save money on medical supplies, pharmaceutical, laboratory and other purchases.
- Reduced Costs for Insurance– Save on liability, cyber, employee benefits, workers' compensation and other lines of insurance.
- Reduced Costs for Purchased and Outsourced Services, Physician Preference Items and IT related expenses.
- Improvement in Item Master and Purchased-Utilized-Billed (PUB) processes and revenue.
- Recovery of Aging A/R.
